What's Going On Right Now?

Adapted Swim Team

Our swim team has been working hard and that hard work finally paid off at our Area Swim Meet, April 8th! Gold and Silver medals were the trend for our athletes and we're beyond proud of how well our athletes represented Columbia Parks and Recreation! We'll be practicing hard over the next couple of weeks for those advancing to State in June! Best of luck as they head to state!

Practices

Location: Hickman High School

Day: Sundays

Time: 5:30-6:30pm

Adapted Track Team

Rainy weather has been the theme for this track season. And, unfortunately, put a damper on our Area Track Meet this year, which forced Special Olympics to cancel. However, our group has been working hard throughout the season as we gear up for competitions. Please wish those advancing on to State the best of luck!

Practices

Location: West Middle School

Day: Thursdays

Time: 5:30-6:30pm

Adapted Volleyball Team

Although, we almost had to take a boat home, the Spike Tysons, Net Ninjas, and the SWAT Team had fun and played their hearts out this weekend at our Area Tournament. Congratulations to all our teams and athletes on a great weekend! SWAT Team received gold in their division, Net Ninjas received bronze, and Spike Tysons received 4th place.
